Campership Request Form
 For Summer Programs at
 Camp Mowana, Camp Luther,
 or Lutheran Memorial Camp

Through the generosity of donors, LOMO is able to offer a limited number of people camperships who are in financial need. Camperships are available to people based on the United States poverty guideline. In an effort to help as many people as possible each person is only eligible for one LOMO campership per year.

Our hope is that we achieve a partnership between the family, home congregation or social service agency, and camp. We encourage you to speak to your pastor or social service agency about funds that might be available. The campership form must include a signature from your Pastor or social service agency contact indicating that to the best of their knowledge the information you have filled out is accurate and the family is truly in financial need.
