

Note to parents of half-week Primary Pathfinders:

Tuesday Pick-up Procedures:

Please plan to arrive between 6:00 and 6:15 p.m. on Tuesday. Your campers will have their luggage packed, and they will meet you at Oswego Lodge (where you checked in) after their dinner about 6:15.

Ordinarily, campers who are *not* leaving will not see you on Tuesday—they will be busy with other activities. We have found that some campers develop homesickness if they see parents (their own or others) midweek, so unless you specifically request to see a full-week camper, you are not likely to cross paths. If you do need to see a full-week camper when you pick up your Primary camper, please let the program director know when you arrive Tuesday.

We're looking forward to having your child with us, and we'll see you Tuesday evening!
